Re: Irish Short Stay Study Visa Application — Application No. 82590712

Dear Visa Officer,

I am writing to apply for a short-stay study visa to Ireland. My name is **Odon Ineza**, a Rwandan national currently enrolled as a student at the **University of Notre Dame**, Indiana, United States. I respectfully request permission to enter Ireland from **May 17, 2026 to June 26, 2026** to participate in Notre Dame's official Dublin Study Abroad Program.

I am a full-time undergraduate student at Notre Dame studying Engineering. I have been accepted into my university's Dublin Study Abroad Program, which is a credit-bearing academic program hosted at Notre Dame's O'Connell House in Dublin. During my stay, I will be taking two in-person courses: Machine Learning for Engineers and Virtuous Engineering Design. These courses are directly aligned with my academic major and career goals.

My entire visit is fully funded by my university scholarship, which covers all costs of attendance including the program itself and some money will be allocated for some of the personal expenses. My personal budget for the trip — covering airfare, transportation in Dublin and incidentals — totals approximately \$1,650. In addition to the scholarship to participate in this program, I can cover some of my expenses with the money I earn from my on campus job.

I have a strong and genuine intention to return to the United States upon completion of the program. I am enrolled as a full-time student at Notre Dame and have ongoing academic responsibilities, including my role as an International Student Ambassador with the International Student and Scholar Affairs office, beginning in the 2026–27 academic year. I also serve as one of the Student Dispatch Callers from Notre Dame Police Department SafeBound. I have no intention of overstaying my visa or seeking employment in Ireland.

I solemnly undertake to:

- Comply fully with all conditions of my Irish visa;
- Not rely on public services or become a burden on the Irish State;
- Depart Ireland before my immigration permission expires on June 27, 2026.

I have no family members currently residing in Ireland or any other EU Member State. I have never previously applied for or been refused an Irish visa. I have no criminal convictions in any country.

I have enclosed all required supporting documentation with this application and am happy to provide any additional information if required.

Thank you sincerely for your time and consideration of my application.

Yours faithfully,

Odon Ineza
